Policy Assignment™ Request Form

The named insured is selling or transferring property ownership at the address below. The purchaser is requesting the assignment of the existing Wright Flood insurance policy upon closing to maintain the current policy.

The seller understands they are not able to cancel the policy by signing this form. If the seller wants to cancel the existing policy, please use the option to [write a new policy for a real estate transaction](#). For additional information on New Policy After a Real Estate Transaction please visit the [NFIP FEMA website](#) and refer to the current flood insurance manual under Section 3: How to Write. **Policy types that are not eligible for assignment include contents only policies, policies for buildings under construction, and Residential Condominium Building Association Policies.**

To proceed with the Policy Assignment option, the file will be subject to underwriting and will not be considered bound. The submission may require additional information and documentation depending on Risk Rating 2.0 rating data elements. Upon completion, the seller transfers all rights to the current underwriting file documentation to the buyer for the policy.

Note: The same building and contents coverage and deductibles will remain on the purchaser's policy.

Disclaimer

By signing this form, the seller acknowledges that he or she waives the right to cancellation of the flood insurance policy covering the property address listed above, including any right to reimbursement from the company of the unearned portion of the premium paid to purchase the full-term policy. Any agreement to exchange monies as related to the transfer of the policy rights is between the buyer and seller only and will not include the input and/or participation of the company. Should the purchaser owe money to the company due to underwriting-related changes, the company will contact the agent on file with information regarding the amount due and due date. If the total premium due is not received by the company by the deadline provided to the agent, coverage limits may be lowered commensurately with the remaining premium.

Coverage is not bound or in effect prior to underwriting review, the receipt of all required documentation, and premium submission. The policy Assignment process is subject to underwriting and National Flood Insurance Program (NFIP) rules. See the full NFIP Manual for additional details. Any impact on an Excess policy is subject to statutes and company program regulations. After underwriting review, an additional premium may be due. All parties must sign the Assignment request on or before the closing date. Policy types that are not eligible for assignment include contents only policies, policies for buildings under construction, and Residential Condominium Building Association Policies.
